ABOUT ME

I am a dedicated second-year university student receiving a bachelor's degree. Despite the fact that I have no work experience, I have a strong desire for excellence and a passion for learning. Possessing exceptional critical thinking and problem solving skills. I actively participate in extracurricular activities and projects related to IT, improving my communication skills and ability to work in a team. I thrive in a rapidly changing environment and adapt quickly to new technologies.

EDUCATION

2021-Present	**Astana IT University** Software Engineer
2022-2023	**EPAM UpSkill │ Tech Orda** .NET Developer
